Wedding Packages

Our Deluxe Wedding Package includes: crystal flutes and tumblers, napkins, ice, "Just Married" magnetic signs for the trunk, and weather permitting, a red rolled out carpet runner to your curb door.

Some Important Tips:

- Call early. Most reservations should be made at least 6 to 9 months in advance. Advance reservations of a year or more are also welcome. The 14 and 18 passenger vehicles are extremely popular, so book early.
- Plan carefull and always leave extra time for your limousines, their next reservation is scheduled directly after your wedding and no one likes a late limousine.
- If most of your wedding pictures are taken after the ceremony, professional photographers require at least 45 minutes to take pictures.
- Always use a larger limousine than you will need, this way the bride and groom will not have to share the back-seat with someone else.

Corporate/Executive Travel

Our limousines make a great conference room whether you are entertaining clients or on the way to an important meeting.

When traveling east of the Mississippi to those smaller cities with poor flight schedules and connections it may be more timely and economical to use a limo or van, especially when two or more are traveling together.
